

## **Visualiser/Designer Placement**

The essence is we're looking for someone with versatility and the ability to bring facts to life in a creative way. This might be strategies creatively presented, stats beautifully depicted or insights artfully arranged.

### **In-house Data Visualiser/Designer**

We tell stories about our research all the time and we want to add a strong visual element to this story-telling. To do that we are trialling this new position of in-house data visualiser for 3 months. Start date (to an extent) and pay are negotiable. We will devise, with the successful candidate/s, a specific set of deliverables during the placement.

Please send your CV and some examples of your work –see next steps how to apply

The potential candidate must have experience of some or all of the following skills:

- Information graphics, graphic design, cartography, data visualisation, interactive graphics and web-editing tools or languages.
- Software: Adobe Illustrator, Adobe Photoshop, Microsoft Excel
- Some knowledge of HTML, Javascript and CSS would be advantageous.

### **Next Steps: How to Apply**

- CV – 1 page A4
- A mini portfolio of 4-5 images that showcase your use of visualisation and or interpretation of data ( PDF format only)
- Deadline 4.00pm on Friday 7<sup>th</sup> March 2014
- Please send copies by email: FAO
  - Mr Mike Spencer, Head of Intelligence, M&C SAATCHI ([MikeS@mcsaatchi.com](mailto:MikeS@mcsaatchi.com))
  - And
  - Rose Sinclair – Dept of Design, Goldsmiths ( [r.sinclair@gold.ac.uk](mailto:r.sinclair@gold.ac.uk) )
